

# **Saxon Harbor Boating Club, Inc.**

## **Minutes of October 19, 2006**

Meeting called order by President Ruda

Minutes of previous meeting read and approved (Kallas/Dorpat)

Financial report for 2006 given and approved (Kallas/K.Koski)

Discussion held as follows:

- Pumps for circulating water around boat lift and dry hydrant in harbor; ¾ hp and ½ hp quoted for around \$725. Bill Hines discussed the size requirements and that the dry hydrant pump would also be used for the fish pens area when the salmon are being kept in the harbor. Expense approved \$800 (Sachs/Poody) additional expenses will include cable, signs, etc. with Iron County paying all electricity charges.
- Dues will be raised for 2007 to \$8.00 per person and \$15.00 per family, which includes all children under 18. (Kallas/Dahl)
- Jack Poole discussed tire covers for the boat lift. New tires are around \$500 each and we would protect the existing tires for \$45 each. Covers being made by Jacquardt Fabrics in Ironwood. Approved (Poody/Dorpat)
- Voted to increase the Christmas Party charge to \$20 per person (Sachs/Dahl)

Colleen explained the newly designed web site at [www.SaxonHarborBoatingClub.org](http://www.SaxonHarborBoatingClub.org). She has paid \$50 for the space for the first year and is charge of changes, additions, etc. The club thanked her and will forward all information to her for inclusion on the site.

It was suggest we contact the County and CenturyTel to start them thinking of the public phone in the park that was such a problem last year.

The security light by the playground can be placed this year since the electricity is available where the old water pump was.

Meeting Adjourned.
